

TELL ME ABOUT YOURSELF

inDigiMOB 

[Smaller Projects]

1 Open a new project in Adobe Spark Video

2 Take a selfie for the first slide and record your name

3 For each slide, pick something to share about yourself and the things you like. Try some of these:

My name is.....

I am from

These are the people in my family.....

These are the things I like to do

This is my favourite song.....

This is where I want to visit.....

My favourite footy team is.....

4 Take a photo for each slide

5 Export as a video

Great Idea

tips & ideas

- Make sure you are signed into the App with an Adobe ID before starting
You need internet connectivity to do this, however once signed in you can use the app offline
- Have a play with the App beforehand to get to know it
- You can use this app on a computer through the web browser if you have internet connection
- Other interesting Adobe Spark apps are: Spark Post and Spark Page
